

4. In what ways do you attempt to discern God's will in your life?

5. In what areas is God calling you to serve and lead, and what have you done in those areas previously?

6. Please share your understanding and commitment to the core values of Second Presbyterian Church and the vision, mission and Christ-centered reformed theology of the church.

7. How do you demonstrate stewardship?

8. What has led you to being open to serving and leading in the church?

These Exploring Your Call questions are intended for your individual spiritual growth and development. They are available to all for reflection and prayerful consideration regarding your spiritual walk and relationship with Jesus.

If you would like to move beyond individual reflection on these questions and enter into a conversation about the areas of service and leadership that God is calling you to, please contact Renee Cook, who leads the Leadership Development and Nominating ministry (LDN), at (309) 531-1013 or ReneeGarrettCook@gmail.com.

The mission of LDN is to call forth and equip leaders within the body of Christ for ministry and service so the whole body can attain the spiritual maturity God intends. (Adapted from Ephesians 4:11-16)
